rockin' country soul with a twist for storytelling. 15 MP3 Songs COUNTRY: Country Rock, COUNTRY: Traditional Country Details: an earlier collection of country-oriented tunes, penned by richard murrey in the late 90's, while still in the mountains of california, big country, wide-open spaces, air that energized the core, good-livin' times and good hearted people with memories for a thousand songs. the muse was working full-time there... the imagination was working overtime. murrey decided to pull these tunes out, polish a few rough edges with producer steven cooper, an all-star line-up of awesome nashville vocal talent and the chevy ford band. enjoy. "laser beam"... just sitting there minding your own business, when she walks in and cuts through your heart like a laser... glenn mayo interprets. "mama cooked the roadkill"... yeah, it happens... self-explanatory, burp! ray barnette serves it up. "where do your dreams take you tonight"... even in your dreams, you can be suspected of cheating! marcia ramierz sings it. "i knew him when"... yeah, when you finally make it big, she'll end up singing this one too! lance miller gives it to us. "just a country boy"... tried to do it the city way, but it will never take... once a country boy, always a country boy... ray barnette explains. "she's coming back"... yeah, you really believed she'd show up and work it out? but the waitress might not mind... lance miller orders it to go. "stone cold"... the heart is sometimes the hardest element found on this planet... glenn mayo points one out. "king of the world"... we've all thought about what we'd do if we had that crown? lance miller holds court. "one more second"... sometimes total forgiveness requires a bit more time than we're willing to part with... juli manners starts the countdown. "bear hug boogie"... mother nature has her own rhythm and we can learn to dance along... gary gibson calls it out. "renaissance man"... there ain't nothing this guy can't do... except love her the way she wants it... bubba hudson breaks the ice. "thrown it all in the wind"... sometimes it is best to give it up and let the wind take the memories because there's comfort in the wind... juli manners sings.

"desert breeze"... a song of loss and hope for reunion someday... ray barnette does it right. "learn to love me"... terrible habits can be overcome when you learn to love yourself... chris aymes gives it a shot. "small town carousel"... lovers, partners, affairs, trysts, they all take a number in isolated small towns... ride that carousel... marcia ramierz sings it out. the chevy ford band consist of: bubba hudson - vocals, guitar jeff jordan - lead guitar richard murrey - bass steven cooper - keys/drums tony paoletta - steel guitar tim lorsch - fiddle, dobro
