Don Metriano seamlessly couples powerfully passionate lyrics with hard hitting beats that capture the pulse of the Brooklyn streets. 16 MP3 Songs HIP HOP/RAP: East Coast, HIP HOP/RAP: Rap Details: The release of "Drama Life" marks Don Metriano's official debut into the public realm. For years he has comfortably been making a name for himself in the New York underground scene and branching out into the Atlanta, Miami and Los Angeles markets. Now it's time to expand his reach a bit further straight into your world. Don Metriano blends his natural rhythmic, laid back style with melodic beats and driven lyrics. He has been widely compared to Naz but with a definite unique style. "Drama Life" consists of tracks that delve right into the overflowing gutters of humanity as seen through the eyes of Don Metriano and the various collaborators featured on this release.
