crossover metal 12 MP3 Songs METAL: Progressive Metal, ROCK: Noise Details: The band F[ei]K performs compositions in crossover and NU metal style i.e. experiments combining different musical styles while still incorporating with the modern tendencies of music. F[ei]K which have gained popularity among youngsters consists of five people: Verners Biters (vocals), Ansis Auders (guitars), Gusts Leimanis (bass), Mrti Opmanis (drums). During the summer of 2000 the band was joined by another member - DJ Krii, who later on chose to leave the band. The dawn of F[ei]K goes back to the summer of 1998, though with the lapse of time there remains only one member of the former band - Ansis "ROOC" Auders (guitars). Besides being in the band, the members have very diverse occupations - Mrti is studying Economics and management, Gusts - Law in Business University "Turba", Ansis is mastering e-commerce and Verners working in music shop. The band's members draw their inspiration from a wide variety of musical styles, which are hard to list, but they range from Queen and Radiohead to such representatives of heavy music as Dimmu Borgir and Sepultura. The group's main idea is to spite and tend against the stereotypes that heavy music is underground music and that it should be isolated from the society. With its activity the band is trying turn the attention of wider audience to the fact that there are people in Latvia who support and respect such music which is indicated by the recently established fan club, the countless comments in webpage, as well as the great concert demand. The authors of the lyrics are the vocalist Verners and the guitarist Ansis. The lyrics are about problems and rackets in life and the way people make you feel. The band doesn't have a specific slogan or problem wherewith each song is original and unique. In the summer of 2000 F[ei]K recorded a demo CD, later the collaboration with Gustavo&Ozols was recorded - the cover of the song BOKSS (Bokss featuring F[ei]K). In the summer of 2001 the radio single "SIGH" was recorded, which successfully made it to radio KNZ top 25 and radio

SWH "Prieknams" top 5.
