[DOWNLOAD HERE](#)

Acoustic sound with full band, songs that are engaging, thought-provoking and inspiring, sometimes funny, sometimes melancholy, and strong vocals, a voice that needs to be heard. 13 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: "Benedetto's lyrics, music and presentation act as a clear conduit to the soul's depths. His music evokes upliftment and re-membering our human possibilities." River Of Life is Greg's first recording and is a compilation of the best of Benedetto's compositions, written and performed to "uplift the spirit, and to heal the soul." Benedetto writes and sings both to "express the inexpressible" and "to invite each listener to recognize his or her flow as a vital and important part of the River Of Life."
