

Mp3 Jimmy Navel - World: Reggae

[DOWNLOAD HERE](#)

A blend of reggae, rock, punk, blues, and much more. 12 MP3 Songs WORLD: Reggae, ROCK: Roots Rock Details: Jimmy Navel is a unique blend of reggae sounds mixed with rock, punk, and blues, delivered in a socially consciousness way. Based in St. Louis, MO, Jimmy Navel continues to work as a solo artist/song writer, working with other local bands and providing original music for local independent film makers. With influences stemming from early blue grass, evolving all the way to dirty punk rock, Jimmy Navel has been playing and performing for over half of his life, always experimenting with styles and drawing inspiration from the world around him, and all of the trials and tribulations that go along with it. The Self Titled CD is the first solo album Jimmy Navel has produced. A complete do it yourself project, he wrote, performed and recorded all of the tracks. Each track is an outlook on the various aspects of life, ranging from relationships to political and economic subjects. Combining that with his unique sound, this album provides an honest and energetic style of musical fusion and social consciousness.
