"a richly melodic collection of lushly arranged, sometimes country-inflected ballads, a terrific effort that instantly vaults Brennan into the upper echelon of current sirens like Eleni Mandell, Rachelle Garniez and Neko Case." -Alan Young, Lucid Culture 11 MP3 Songs FOLK: like Joni, COUNTRY: Country Folk

Details: Harpist, singer/song-writer, Katie Brennan grew up in the Seattle area, where she learned to sing in school and church choirs while studying classical harp and playing in local orchestras. She briefly attended Southern Methodist University Meadows School of the Arts for harp performance before turning her attention to folk music. For the past six years, she has resided in New York City, developing her skills as a song-writer and performer. This spring, she will return to the Pacific Northwest to be near family, mountains, and the Sound. Her debut album, *Slowly*, is a collaboration between the songster herself and NYC producer and multi-instrumentalist, Itamar Ben-zakay. It offers an eclectic collection of tracks, ranging from folk to accoustic country, reminiscent of early Neil Young, to quirky indie-pop. She plays both harp and piano throughout most of the album, while Mr. Ben-zakay, together with local musicians, Emek Rave, Lenny Molotov, and Tyler Orr, brings the songs to life via drums, electric and double bass, accoustic guitar, organ, trumpet, and Dobro. People who are interested in Neil Young Joni Mitchell Patsy Cline should consider this download.
