

Mp3 Kevin Dorsey Collective - Gateway

[DOWNLOAD HERE](#)

The Kevin Dorsey Collective performs all original music combining jazz harmony with world music and other genres. 8 MP3 Songs JAZZ: Latin Jazz, JAZZ: World Fusion Details: The Collective returns with their second release 'Gateway'. Combining jazz harmony with other styles of music (latin, folk and other world music), the Collective is carving out a niche for themselves in the musical landscape. The Collective is: Kevin Dorsey/ composer, double-bass, electric bass guitar Jerry Bower/ congas, udu drum, shaker, clave, cymbal Bob Piorun/ acoustic, nylon and steel string electric guitars Bill Pomares/ tenor and soprano saxophones, flute, clarinet Stein Rimehaug/ piano, keyboard, melodica "Gateway from Kevin Dorsey's Collective represents the group's most ambitious recording to date...effortlessly blending different dynamics and phrasing in ways that clearly illustrate the band's knack for transcending genres and rhythms."- Eric Cohen, WAER Jazz 88.3 Program Director "Gateway is a real gem of an album that showcases the musical depth and talents of a rising new star, composer and bassist extraordinaire Kevin Dorsey. This CD may be a breakout album for the Kevin Dorsey Collective. From a musical perspective, Gateway has all the elements of a successful project, great writing, musicianship and an innovative rhythm base style."- Edward Blanco, Jazz Review.com
