QUOTES: "This is a singer! Kira Small speaks clearly and directly from a deep place. She compels me to listen, really listen. In doing so, I'm convinced that she believes every word in this collection of wonderfully varied songs. This is my idea of a real Artist." - Mike Reid (Grammy award-winning songwriter "I Can't Make You Love Me", "In This Life", "Stranger In My House") "I love her - she's great!" - Marcia Ball (Rounder/Alligator Records recording artist) "For me, the measure of a singer is how he or she draws me to the universal truth within a song, and Kira is a wonderful emotional guide.
