GOSPEL: Contemporary Gospel, JAZZ: Smooth Jazz Details: The beginning * Laura was in 6th grade when her music teacher discovered her fledgling talent and encouraged her by giving her solos to sing in various school productions. * When Laura was 12 she was given a guitar. She learned to play with the help of a beginner guitar book. Being able to make music enticed her in to a life of singing, songwriting and performing. Writing music * Laura wrote her first song at the age of 13. She has written over 250 songs since then. Teen years * At age 16 Laura gave her life to Jesus, and almost immediately began to write music with a focus on God. She was invited to perform her music regularly throughout her teen years. * Opportunities to share her love of Jesus through her own music expanded through contacts that took her to sing and play at other venues not only in Ohio but out of state and internationally. College opportunities * Laura was a musical fixture at Malone Christian College in Ohio where she often sang her own music during chapel services, evening studies and special occasions. Live performing * Throughout her life, since her songwriting began, Laura has had many great opportunities to share her music live. Many churches have utilized Lauras skills both as a soloist, musician and as an experienced worship leader. * In addition to playing with her band at a variety of coffee houses and churches, Laura is a member of First Friends Church worship team. She took part in 2004 in the recording of a live cd, Enter In, including a duet with the worship leader. The cd is being distributed nationally. The CD-Warm Invitation * The warm invitation cd covers three distinct messages- 1) Difficulties in life 2) God's presence and character 3) our response to Him. My desire is that these three separate but unified topics will move listeners to respond to God as He speaks to them. There is a 32 page booklet insert included with the cd

with song lyrics and a study for each song to provide promptings for deeper thoughts. The warm invitation project is the outcome of what God has done in and for me. His grace has inspired this cd. I want, more than anything, for this project to be beneficial to all who are exposed to it.
