Urban Gospel, Neo-Soul, R B, Jazz 12 MP3 Songs GOSPEL: Contemporary Gospel, URBAN/R&B: Contemporary urban Details: Producer, Writer, Arranger, Singer, Musician. Welcome to Lee Rugless' musical expressions. His singing style, music and voice have been compared to legends Marvin Gaye, Sam Cooke, and at times Al Jarreau. Just as all of these artists had their unique style, Rugless has perfected his sound and it is an amalgamation of urban gospel, jazz, neo soul, classical, and R B. Lee has definitely forged a niche that is immediately identifiable as his production, writing and musicianship. True music with no boundaries or limitations. God is his inspiration and Lee has had the pleasure of performing, writing, or recording with artists such as recording artists Mark Kibble, Claude McKnight, and Alvin Chea of "Take 6", entertainer Marion Ramsey, R B artist Michael Henderson, the late entertainer LaWanda Page (Aunt Esther of Sanford Son) gospel recording artist Anthony Whigham, and Athletes For Abstinence - AC Green, David Robinson, Barry Sanders, vocalist Lisa Vaughn, gospel recording artist Barron Peeler. Upon listening to Lee's music it is pleasantly apparent that he loves and respects various genres of music. The classical and jazz jewel of the CD is the by the ocean sound of "New Song". The listener can picture a psalmist sitting next to the ocean and crooning Psalm 98. "Glory" is a praise hit that recalls the dancing bass line of the late James Jamerson of the Motown Funk Brothers. The title track "Time" opens with a story of a man with a contrite heart and wanting another chance. "TIME" is an extremely creative, positive CD that will last an eternity and bring perpetual joy to the listeners heart and ear.
