Compilation of various styles: rock, pop, R&B, blues, world, children's, and Broadway. 10 MP3 Songs

URBAN/R&B: Rhythm Blues, POP: 70's Pop Details: Viaticus is a compilation of various styles covering rock, pop, R&B, blues, Broadway, world and children's music. There is at least one song for everyone in this album. Sample just any two songs to hear the diversity. Unique to this music is that the majority of the work was done via computer (the Mac) and is the result of much research put into it. Most recently, The Grammy Committee on submissions approved Viaticus to go to first ballot in 13 categories for the coveted Grammy Award! Viaticus is the first. Viaticus II is currently in production while the ink is drying on the manuscript for Viaticus III.
