Featuring Adrian Belew on guitar. Walls of vocals, walls of guitars, big productions, pop-pop melodies. A must hear for power pop and prog fans alike. 12 MP3 Songs POP: Power Pop, ROCK: Progressive Rock
Details: "One of the best pop albums you're likely to encounter, full of verve and vibrant creative energy with a meaningful message to convey." (A Rating) Power of Pop "Some of the best songs you will hear this year. Songs like "Disco Ball" and "Resurrection" are pop masterpieces while "John Lennon's Glasses" defies words. It would seem that Rick has been America's little secret for far too long and hopefully this album will change all that. The biggest compliment I can pay is that if John Lennon were alive today then he would probably be making records just like this one." Robbie Evans - Powerplay Magazine, UK "I was completely unprepared for this album to knock me out like it has. Superbly dense arrangements and hookier-than-thou melodies. All Tie Zur is clearly Rick Altizer's show, and one that I'll be going back to again and again." John M. Borack - Amplifier Magazine "Solid guitar-driven and hook-laden pop. Rick Altizer is a talented songwriter and musician to watch in the years to come. All Tie Zur can be pronounced a true crossover success." Gary Glauber - Fufkin.com
