Slackshop is a guitar driven four piece out of Louisville, KY, that blends equal parts of dirty, gritty, sweet and sour into a familiar, out-of-the-fog, rock and roll sound. 12 MP3 Songs in this album (47:45) ! Related styles: POP: Pop/Rock, ROCK: Adult Alternative Pop/Rock People who are interested in Radiohead U2 Wilco should consider this download. Details: Slackshop is a Louisville, KY trio at its core - Patrick Donley on bass, Chris Greenwell on lead guitar, and William Bartley on vocals, rhythm guitar and drums in the studio. The sum of the three express full, energetic, and melodic rock that could as easily be the soundtrack to your last cookout with friends or a ruckus one-night stand. Simplicity is power with Slackshop's flavor of passion. They bob and weave deceptively familiar melodies around slippery guitar phrases and clever lyrics. A trio of artists, Slackshop's members play with other bands, make other art, and interface with community. This well-rounded effort typifies the quixotic experience that is Slackshop. Life, love, beauty, dirty, gritty, sweet, dark, alone, happy, cold, and almost anything and everything that makes us think or feel.
