Real instruments [like guitars] creating real songs for real pleasure. 13 MP3 Songs POP: Power Pop, POP: California Pop Details: First of all, let me say he's not my brother, I'm not his agent and no money has changed hands - hell, I've never even met the guy! He's just a damned fine artist and I'm a sucker for his clever, crafty and utterly charming music. - zorilla Steinhart's voice at times has an almost British quality to it, reminding me of the more illustrious recordings by Love Spit Love. -Jeff Marsh Terrific, sunny-yet-snidey pop. Cynics will leap out of their skins. Unfashionable, but a fine sheen. - Melody Maker ... rise above the standard-issue L.A. pop. -Eric Layton / Entertainment Today
