Mp3 Wet City Rockers - World: Reggae

DOWNLOAD HERE

Dive on in the waters are full of funky hard hittin bass riddims and soulful lyrics. With influences from the dark side of roots and the soulful vocals of lovers rock. Bring the sensi and submerge your the brain in to the sound of the Wet City Rockers. 9 MP3 Songs WORLD: Reggae, ROCK: Psychedelic Details: From the rainy city of Seattle emerges what could possibly be the freshest new Roots Rock Reggae to hit the airwaves. The Wet City Rockers have been compared to the likes of Bob Marley, Shinehead, Police, and steel Pulse. With a humorous viewpoint the Wet City Rockers maintain the foundation of roots Reggae while adding an appalling new dark flavor. Releasing their debut self titled album in 2005 critics have given the Wet City Rockers rave reviews and high regards. The band is not only deeply influenced by the sounds of King Tubby, Scientist, and Bob Marley but the band has also worked with some of the classic Jamaican artist like Winston Jarrett, and Wadi gad. The band consist of four main musicians, Micah Averiett Vocals, Norm Family Van Baker Bass, Dan Lloyd Drums, and Bill Patton Guitar. Sinci lovers sit back and indulge in the Rootsy, Dubby sound of the Wet City Rockers.
