[DOWNLOAD HERE](#)

Hall Caine was a novelist and playwright from the late Victorian and Edwardian period. His novels were primarily romances involving a love triangle, although they did touch upon some social and political issues of the day. Mary O'Neill is a young Irish woman whose life is greatly effected by social prejudice and religions intolerance. She is born into a large family and is hated by her father. Through her life she clashes with her family and the church. There is a marriage that fails, a man she loves, and a child she has with him. Mary does at last find peace with her life.
