Grab Your Visitors By The Eyeballs, And Practically Force Your Prospects To See Your Message Its no secret that popups are effective, but traditional popups only work if your visitor doesnt have a popup blocker installed. Most popup blocker technology works the same way. Almost all popup blockers look for any code that creates a new window, and then closes that window before it even has a chance to open. This seemingly harmless technology is blocking more than just a popup, its killing your profits! Impact PopUp Uses Specialized Technology That Is Smart Enough To Get Around Those Pesky Popup Blockers! What you need to create effective popups is something new. Something that is just as effective as a traditional popup, but smart enough to not fall prey to popup blocking technology. That is exactly what Impact PopUp does! You see, this new method of creating dazzling popups doesnt create a new window of any kind. In fact, its actually part of your web page itself! Using Impact PopUps you can rest assured that your message will show up when you want it and create the impression you so desperately desire. Impact PopUps bypasses the popup blockers and will give you the peace of mind in knowing that your messages will be seen.
