Every song has a different mood, different instruments, different style . A truly creative and educational CD for children (and adults!) . Sample the CD now! We guarantee you will love it. Musical Kids

International is a program based in New York City for parents who want their children to experience the joy and stimulation of music from the earliest years. Music is taught in six different languages. Developed by Yolanda Borrs Bricard, a native of the Dominican Republic who has taught children around the world for the past 25 years, Musical Kids International engages children in the stimulating world of music and in discovering music from around the world. It is a rich educational experience that is fun, attuned to each child's stage of development and perfect for harnessing the joys and benefits of society's one universal language music.
