

Mp3 Crabmeat Thompson - Animals, Vegetables, And Mineral Springs

[DOWNLOAD HERE](#)

High wire energetic entertaining and funny live performance by a wordsmith folk poet who can crank out on 12-string and blues harp. 9 MP3 Songs BLUES: Jazzy Blues, FOLK: Folk Blues Details: Animals, Vegetables, and Minerals is a digital remix on the 20th Anniversary of Crabmeat Thompsons whirlwind appearance at the recently-refurbished Grand Opera House. Through great luck and a tad of perseverance, Crab secured the master tapes from Kooster McAllister, and in the waning months of 1985, Crab and Ward Camp, the producer and CEE of Now Then, toiled over the raw tracks and came up with Crabs first, crystalline, vinyl, which captures the excitement of this big night. Now for the first time, on the 20th anniversary of its release in January 1986, heres AVMS on CD!
