The next big rap duo. Hailing from the Midwest, D. Brad P-Mac tell it like it is on the streets, in the clubs and in the bedroom. If you like Outkast and Eightball MJG you'll want to check this album out. 13 MP3 Songs HIP HOP/RAP: Rap, HIP HOP/RAP: Hip Hop Details: Check out these tracks: 3. Seriously, This is How We Ride 4. Gangsta Luv 5. Bounce 8. How We Live 10. Luv Song D. Brad P-Mac are music veterans in the midwest. Having opened up for acts like Twista, Lil' Jon and the Eastside Boys, Public Announcement, and others, not to mention an annual show every Labor Day weekend that they headline, these guys are no strangers to the stage. They have had 8 songs on the radio on Power 92 in Peoria, with several of them appearing on their countdown, and hitting the number one spot more than once. In 2003 the UPN affiliate in Peoria shot a music video for their song "Blocstyle". They are produced by Jordan Book, who has done all of their tracks for the past 5 years. These guys are a total package, and the next big thing. As a special side note... Track two is supposed to sound like a skipping CD at a certain point. We did that on purpose.
