Instrumental guitar music with a highly original twist 12 MP3 Songs ROCK: Instrumental Rock, JAZZ: Jazz Fusion Details: A Demon's Dream represents the number one guitarist from Canada, David Martone, releasing his best album to date. Matt Williams, the head of Liquid Note Records writes, "The CD is a feast of memorable tunes and stylistic flourishes cemented together with a superb production (produced, engineered and mixed by Dave, himself a former music engineer). One of the year's best instrumental guitar albums, A Demon's Dream contains everything from metal and country to blues, ethnic and techno." Again a celebration of musical diversity, A Demon's Dream features top notch modern production techniques fused with some of the most daring guitar playing ever heard. A true classic!
