An absolute must for any trip-hop collection. 19 MP3 Songs ELECTRONIC: Ambient, ELECTRONIC: Trip Hop Details: Everyone has a soul Just as everyone has an individual vision... Dreams We close our eyes, and wonder What is reality? Why are we here? What is our purpose? On our journey through life, we associate ourselves though emotional states of mind We want to feel And we want to be accepted For who we are, and for what we believe in Trying our best immortalize our souls Wanting to leave this world knowing that we didnt just slip through the cracks of society But that we were noticed, and appreciated Leaving behind something beautiful Often times, one must sacrifice certain humanities in order to achieve such bittersweet immortality Sometimes, even the rose goes unnoticed Through the thick tangles of thorned vines and underbrush Waiting to be discovered Patiently In all of its glory Wanting to share its beauty with those who seek just one glimpse "Music cleanses the understanding; inspires it, and lifts it into a realm which it would not reach if it were left to itself."
