60's pop, vocal and guitar 10 MP3 Songs POP: Folkly Pop, ROCK: Acoustic Details: If you like up-&-comings, check this out! Dennis Daniel has been a musician since his teen years, and many of these songs have been waiting for release since. In 2000, he finally put together his first CD: "Play At Your Own Risk!" Combining sounds of the '60's, '70's, and more contemporary easy listening, Play At Your Own Risk! is the debut album that fans of independantly produced music have been waiting for, with out ever even knowing it. Based on the artist's own life events, this cd is a good choice for dancing, driving, or just sitting and relaxing. It's a good mix of rock, blues and the perfect touch of country, so get ready to enjoy a good listen.
