Lil Bit O Jazz provides a lot of lush, warm and captivating jazz vocals intertwined with the silky, sultry sounds of the Saxophone. "This is a delightful and inspirational collection of standards as well as some very intensely romantic Latin selections." 12 MP3 Songs JAZZ: Smooth Jazz, EASY LISTENING: Love Songs Details: From the humble and shy beginnings as a featured child soloist in her local church, emerged the confident and professional entertainer featured on this, her latest CD release. "Lil'Bit O' Jazz" reflects the continued musical growth to which Gloria's many fans have become accustomed. After two successful recording projects into the Rock and Pop genres she has now danced the light fandango into the world of Jazz. After performing a large catalog of Jazz favorites for her live audiences around the country she selected the gems found here. They reflect her appreciation for this most American of all music styles. Her roots of Gospel and Rock and Roll, as well as her love for interpretive Jazz styling are clearly evident as she croons her way through the impressive selection of material featured on this CD. She has surrounded herself with an impressive array of musicians to compliment her interpretations. Matthew Smith on keyboards and Johnny Sanford on the silky Saxophone have long been an interregal part of Gloria's live performances as well as in the recording studio. The reaction of her fans to this new CD has been phenomenal. Sit back, relax and enjoy the smooth jazz sounds of Gloria D'Arezzo and Friends!
