

Mp3 Grayson Wray - Picasso's Dream

[DOWNLOAD HERE](#)

Retro rock/alternative with originality and fun, lots of guitar with some keys and strings 16 MP3 Songs
ROCK: 60's Rock, POP: Beatles-pop Details: Grayson Wray Picasso's Dream Impressive Music 16 song
CD What an appropriate title for this strange amalgam of popular music. Grayson Wray pulls from a host of influences and sounds, creating an album that rambles and careens without a focused direction. While this admittedly doesn't always work, sometimes it does, and the result can be fabulous. Wray is at his best when he flirts with standard pop sensibilities. The fun part is that he only borrows what he needs, without taking us down the same old roads again. This is most evident in songs like What's Inside and With You I'm Alone, where he uses deconstructed beats and disjointed melodies to piece together these beautiful pop songs. There's a late-Beatles quality to his approach; think the weirder moments of The White Album-meets-Abbey Road and you might get an idea of what's going on here. Much like the album's namesake, Wray takes his art and turns it around so we can look at it from a completely different angle, and that's quite a feat. MISH MASH Mandate: Picasso Pop
