

Mp3 Here Comes Everybody - Thirteen

[DOWNLOAD HERE](#)

A 73 minute anthology of pure pop mayhem, "THIRTEEN" is Here Comes Everybody's huge retrospective covering their career from 1985 to 1998. Follow the band as they evolve through several line-ups and a remarkable range of stylistic and sonic experimentati 18 MP3 Songs POP: Quirky, ROCK: Progressive Rock Details: HERE COMES EVERYBODY has been an established Portland, OR band since 1986. This anthology offers the indie music lover a rare glimpse of a life of a band that is still together today.

Traveling through various 80's, 90's and into the new millennium, HCE's "THIRTEEN" gives the listener a true taste of a pop bands maturation over time in songwriting. Get this album if you want to see how HCE has changed over time, then get the new release, "Astronauts", for an exquisite sample of mature songwriting from Michael and Rene' Jarmer, HERE COMES EVERYBODY. Press quotes for "THIRTEEN" "I walked away admiring HCE's sound and being thankful for their place in our local music scene. Their Dr. Demento-meets-Dali-and Zappa appraoch to lyrics, mixed with fancy yet solid songwriting...is the incongruous reality that is HCE." --The Rocket "On Stage, Here Comes Everybody just may be one of the most entertaining bands in the known universe."--MTV Website, Seven Day Weekend. "...performed with precision and skill...catchy lyrics...sticks in your mind...spine tingling."--Jam Magazine
