Well, quite simply, it is fate coming together. Things that happen in life are not always coincidental, they happen for a reason. This is a little anecdote of how Milestone Song Creations came to be Jim Littlehorse, who has spent his life traveling the highways across Canada as a musician, and spinning his songwriting ability, met Daniel Belisle some twenty years ago in northwestern British Columbia. Through a mutual love for music, the two formed a unique bond of creativity. Dan always asked Jim Why dont you stick around and play, my man? and years later, they both agreed it was the right time to start something. Thus began Milestone Song Creations. To create their first CD, Jim Daniel needed a place to record their music and by chance, they met Wes Bradford of Bullet Studio. This was the catalyst for Milestones direction. Now with their second CD Goin The Distance, Milestone Song Creations offers a diverse collection of songs to bring the listener along for the ride. We hope that all who listen, will enjoy the journey with us, towards the next milestone
