An mystical, improvisational, experimental and personal exploration of sound and meaning utilizing various styles and humor. 23 MP3 Songs EASY LISTENING: Crooners/Vocals, JAZZ: Jazz Vocals
Details: The music dreams. I often imagine many different things while composing. For me, sensing is not opposed to dreaming or imagining. Dreams and imagination feed upon what I sense as well as what I remember. Imagination enhances my senses. The meanings found in these songs is often ephemeral or obscure. True knowledge, like life, is constantly changing and is often uncertain. Love brings all things together in a dreaming mind. All things relate one to the other. Between any two things, meaning can be found in their mixing and relating. That meaning is a dream. My words in these songs seek to evoke dreams. The music contributes flavor and feeling. He wanted to hear everyone sing. She wanted to hear everyone sing. All words were made gentle by their songs. They walkin pro ma dens abigeal. Their mystery was bro ma soolee.
