Details: "My mission is to speak to people through my songs the same way I would in a deep, personal conversation. To change the way people think about themselves and others." - Portland artist Justin Bennett. Born in a small town in Oregon, Justin grew up singing along to Fleetwood Mac, Tom Petty and the Eagles. Big sound and layered harmonies did something to his heart. With lyrical heroes like Bill Mallonee and John Lennon, Justin was inspired to take a personal and honest approach to songwriting. Faith, affliction, prevailing; his songs touch on things he's dealt with in his own life. With sincerity and emotive texture, intricate guitar and stick-in-your-head melodies Justin Bennett sounds at home in his songs and hopes the listener will too find a home in his art. Tags: pop
