

Mp3 Kipper Records Compilation - Catch Of The Day 2

[DOWNLOAD HERE](#)

Second in the compilation series 'Catch of the Day' from Kipper Records. Eight brilliant tracks covering many styles from electronica, glitch, chopped beats, acoustica, noise, ambient, soundtrack, IDM and experimental. 8 MP3 Songs ELECTRONIC: Experimental, ELECTRONIC: Down Tempo Details: Kipper Records is an independent label based in Manchester, UK. It operates as a collective, bringing together the makers of fine and upstanding music covering such styles as electronica, acoustic lo-fi, ambient, noise murder, glitch fest, fish gabber, ILM, sharkcore, experimental or just mental. The initial releases will be a series of compilations, Catch of the Day, featuring a growing community of artists with the common aim of getting diverse and interesting music to diverse and interesting people. Artists come from diverse backgrounds and areas including England, America, Sweden, Scotland, Austria, France and many more.. Its a hands-on, handmade, organic philosophy that runs through each release from musical ideas to cover designs. Each Catch of the Day will be a limited release with every CD package individually made by crew of the Lady Marmalade, trawling thirteen miles off the coast of bonnie Scotland. Now that's dedication!!
