Celtic Fire with Class!! Since early childhood Havilah, Heather, Abigail Tabitha Justice have been actively performing classical and baroque music with their nine siblings as a part of their Mothers vision for a well-rounded home-schooling education. In 2003 Havilah and Heather brought Maidens II into existence as an engaging Violin and Voice duo. They began performing Renaissance, Celtic and Folk music intricately weaving song with theatrical drama for motor-coach tours and restaurant venues. In 2005 younger sister Abigail added the alto sounds of her Viola as the Maidens performances were now reaching 60 gigs a year. 2006 brought in youngest sister Tabithas driving guitar rhythms! Kindling a new sound and genre as Maidens IV, the band now flames the fire of Celtic and Folk music performing in a variety of venues from Fairs and Festivals to private events. The Maidens classically trained lead vocalist, Heather, holds captive her audiences with sparkling brilliance. She arranges all the music for Maidens and composes much of the vocals and instrumentals, giving the band its distinctive Maidens fire. Her Bodhrn is the heartbeat of their percussion. Havilahs bright and spirited Violin flames their reels, jigs and ethnic tunes. Close on her heels Abigails vibrant Viola adds a depth and rich harmony to the group. Tabitha enriches Maidens with her driving rhythms and sensitive acoustic Guitar. Spirited rhythms of these Maiden sisters give youthful vigor to Celtic Folk sounds.
