The fact that still the name "King of meditation" is entitled to the artist after his 10th production, it was confirmed again by the STYLE Magazine in an article as an answer to HAMAJA. HAMAJA is an animation for your senses, Synthesizer music for your mind, for the heart and your soul. HAMAJA - meditative sphere sounds, romantic melodies and dynamic rhythm parts - a synthisensible work for sensitive hours. "HAMAJA" comes from the Hebrew and signifies "a place of refuge". And exactly for that Robert Schroeder has created his work HAMAJA. "HAMAJA - this is no place in which you sit or where you can look. HAMAJA is the place which you prepare for yourself where you are alone with your

thoughts, feelings and senses. Create this place where always you would want and whenever you need him. If you have found your quite individual place, enjoy HAMAJA, join your forces with your imagination and you will find your quite personal place - a place of refuge - HAMAJA".
