Are you just hanging in there? Have life's curveballs thrown you off balance? Do you feel as if your life is going sideways? Bestselling author, leadership coach, and former Yahoo! executive Tim Sanders knows how you feel. His father's unexpected death put him in a downward spiral for fifteen years-what he calls his "sideways years." A photo of a dusty water tower in Texas in finally woke him up in 1996. That's when he realized he needed to go home to his rock-his grandmother Billye, who had taken him in as a child to raise as her own. Rediscovering the lessons she taught him as a child turned his life around and, in less than four years, catapulted him to financial security and an officer-level role at an S&P 500 company at the center of the Internet revolution. Today, his promise to himself is "I will never forget those lessons. The price is too high." Join Tim as he rediscovers the classic principles of confident living that some of the most successful and joyful people you know live by.
