

British Miscalculations: The Rise Of Muslim Nationalism, 1918-1925 - Isaiah Friedman

[DOWNLOAD HERE](#)

In the aftermath of World War I there was furious agitation throughout Islam against the dismemberment of the Ottoman Empire. Coupled with the powerful effect of the principle of self-determination, British indifference to Muslim sentiments gave rise to militant nationalism in Islam which became de facto anti-Western. This detailed and convincing account describes British indecisiveness, policy contradictions, and how militant nationalism was aggravated by the Greek invasion of Smyrna and its ambition to create a Hellenic Empire in Anatolia with Britain's connivance. As Friedman shows, the British administration of Palestine bears a considerable share of responsibility for the Arab-Zionist conflict in Palestine.
