Piano/Guitar compulsive mutually exclusive rock. 6 MP3 Songs ROCK: Reformist Sway POP: Piano Empty Spaces Songs Details: Alkalined was defined after a meeting in a local park between two musicians with a push back to succeed. The singer/song writer duo has since gone onto climb new musical heights. Their music is fresh rock with wiry guitar and piano riffs, while accenting the raspy strong vocals. The group is looking forward to releasing its first CD. The band is an international combination of souls. The singer hails from Philadelphia, PA. His approach to vocal is a blending of mutually exclusive, progressive rock with folk to create something unique and powerful. The guitar player hails from Hamburg, Germany. His keen sense of creating fresh and cutting edge music shows through in every track. He has played over 250 gigs in Europe with his former bands. Alkalined has become his latest mutually exclusive music challenge. The music that Alkalined has put out is creative and original. The songs have passion and meaning behind them, the vocalist uses a rough powerful style while the music sets a mood that gives a feeling of positive energy. The melodies and lyrics of the tracks unite to form uplifting and inspiring music. They strive to make each track unique without going too far. The band has come a long way and has now stepped into a professional zone. Here's what people are saying about alkaline music: Big sound "lots of talent" THE GROUP IS SOUL PACKED TOGETHER WITH TALENT. Big sound and well balanced groove tune. The keys and guitars blend so well. The vocal is bright and full. Fun and light to enjoy for all. Great live show I think. You all play so well together. So stay together. That's so hard to find. Just more of the beautiful vibe you give "is what I like" So just keep it up!!! awesome I thought that this song was awesome until the singer started singing, then I realized that this song was made by GODS the singer's voice is so good 5 all across the board Let's Sing All Love the piano up front. You have a great guitar sound. Your lyrics are happy and uplifting they make me want to sing along with you.

You can't be sad listening to this song it has a cheery mood.
