

Mp3 Bill Heck - Calm Before The Storm

[DOWNLOAD HERE](#)

Progressive Instrumental Rock that ranges from light smooth-jazz to a harder driving rock, yet can be classified as new-age as well. 8 MP3 Songs ROCK: Instrumental Rock, EASY LISTENING: Soft Rock
Details: Calm Before The Storm is a mix of rock-based instrumentals written and arranged by Bill Heck, a 20 year veteran of the guitar. The songs range from the heavily guitar oriented Electric Blue and Calm Before The Storm, all the way to the lighter keyboard-based Crystallize and Dreamland. If there was ever a CD that combined guitar-based rock with smooth jazz, this is the one. If you are looking for a complete soundscape of music that grabs your attention and keeps you interested, this CD is for you.
