Hi energy pop/rock and oldies A cappella 17 MP3 Songs POP: 60's Pop, POP: 70's Pop Details: Although Sacramento's Boyz are well known for recording great originals, their live show includes a healthy helping of covers - and now they are captured on disc! This is the CD that fans have been requesting for years and now its finally available!! What we love about BNO, besides their song selection, is a) their energy, chemistry and love of the music, b) their great arrangements and vocal percussion, c) they're spot on key, and d) they nail every song, as you absolutely know they do in a live performance. Great stuff! The songs include many different eras and genres such as Motown (My Girl, Heard it through the Grapevine), Doo-wop classics ("Under The Boardwalk," Come and Go With Me" Still of the night ), the 80s (Footloose, Fire), the 90s (Hooch, and Eric Claptons change the world), and some surprises (the Doors People Are Strange" and the Beatles' "Come Together.") undoubtedly the most impressive cut is their rendition of the Platters Only You, sung with the same spirit as the original. If you love vocal music this is the CD for you. With 17 songs, it is a great value as well! Boyz Nite Out Bio: Boyz Nite Out is an A Cappella Quintet based in Northern California. For over 14 years, BNO has electrified audiences with their unique blend of musical talent and impressive stage shows! Known as an A Cappella Vocal Band, BNO performs all your favorite songs and even originals while using one instrument, -- the Human Voice.
