"Diabolic cabaret music", "Other-wordly bizarro jazz", "Like driving through a toon-town" - these are but a few comments on this debut album from the Swedish band Celest. (\$9.97) 9 MP3 Songs ROCK: Psychedelic, ROCK: Instrumental Rock Details: Formed in 2001, formerly known as "Traffic Beard" and "Heurotic". Decided to change name in 2003 because the music had turned out to be quite different than before. The members have played music together since they were seventeen and are planning to do it several more years. The music could be described as a multi-ethnic United Nations of Sound with lots of guitars and rock influences as well. This CD comes with a spray-painted cover which means that every copy is unique. SEE REVIEWS BELOW!
