Adult, alternative folk rock with touches of country and roots 11 MP3 Songs FOLK: Modern Folk, COUNTRY: Country Folk Details: This artist has been writing for the past 20 years in an eclectic alternative folk style of music. Though Jim Barile isn't pop, his music tends to be very reflective with many romantic mystical Christian undertones that can be intrinsically felt all through his music, "If You Get Close You Can Hear". In view of writing, this artist states that the most important thing in this world is to take time to be still to be able to recognize the little wonders in life that at times can be only recognized in our dislocated moments in our everyday.
