

Mp3 John Bradford - Liquid Blue

[DOWNLOAD HERE](#)

Contemporary Christian music with a unique smooth sound and eclectic line-up musicians and instrumentation. 12 MP3 Songs ROCK: Acoustic, GOSPEL: Contemporary Gospel Details: BIO For many years you have known him as John Bradford, one of the delightful halves of the acoustic-rock duo, TESTIFY. This duo worked with artists such as Lenny LaBlanc, Jim Cole, Sixpence None-the-Richer, Carolyn Arends, Jennifer Knapp, Big Tent Revival and others. They were also featured annually at one of the northeast's largest Christian festivals, Kingdom Bound. In addition the duo hosted the Network TV show, Powerview (Christian MTV) for several seasons which received rave reviews. As part of the group, John also made appearances on national Christian TV's 100 Huntley Street, countless radio shows, cruises and youth events, and the New Year's Eve drug and alcohol-free First Nights in both Erie, PA and Buffalo, NY. He has blessed thousands with introspective and engaging original music. In 1999 John ventured out as a solo artist and continues to minister throughout the northeast. Whether performing by himself or with his band, John brings to the music industry a fresh new and inspiring view of everyday life intermingled with family, friends, unwavering faith and worship. Jesus Christ's unfailing love and mercy has been the inspiration and drive behind it all. With the saving knowledge of Christ at his foundation, John continues to bless audiences with his soothing vocals and original acoustic expressions. John's years of experience are evident in his professional presentation and in his unique ability to engage his guests. As a solo artist he has played at different venues including The Blue Bird Cafe in Nashville, TN, Revive Festival in Rome, NY, Abapolusa Festival in Stoneboro, PA, Kingdom Bound Festival in Darien, NY and the alcohol-free First Night in Erie, PA. John resides near Buffalo, New York with his wife, Christine and his children Keegan, Hannah, Levi and Quinn.
