Original bluegrass music 12 MP3 Songs COUNTRY: Bluegrass, FOLK: Progressive Folk Details: JOHN CADLEY The Closer I Get A new solo CD of 12 original songs by the writer of Lou Reids #1 hit Time. John Cadley has been playing, singing, and writing music since he was 13, when he formed his first group at boarding school. By college he was in The Glencoves, a folk group that toured behind the national hit Hootenanny. Since that time he has played in many bluegrass and country groups throughout the Northeast, as well as a national touring stint playing guitar with Clay and Sally Hart, two former singers on the Lawrence Welk Show. Johns songs have been recorded by Lou Reid, Jim Hurst and Missy Raines, and Tony Trischka. His song, Time, became Lou Reids first #1 hit, remaining in the top spot on the Bluegrass Unlimited chart for three months. John has previously recorded two award-winning CDs of original material with his own group, The Lost Boys. The first, Middle of Nowhere, received a Highlight Review in Bluegrass Unlimited and was voted the #1 CD in any genre in his home region of Central New York. The Closer I Get is Johns latest and perhaps best work to date. Produced by former Ricky Skaggs guitarist Clay Hess (now with Mountain Heart) and recorded at Randy Kohrs Slack Key Studio in Nashville in May 07, it features Clay on guitar, mandolin, and vocal harmonies, Randy on dobro and vocal harmonies, Terry Baucom on banjo, Aaron Till and Tim Crouch on fiddles, Beth Lawrence and Darrin Vincent on bass, and Jennifer Strickland on vocal harmonies. People who are interested in should consider this download.
