I call my music American Music. It is a blend of Blues, Country Bluegrass ,etc. 9 MP3 Songs BLUES: Acoustic Blues, COUNTRY: Bluegrass Details: Rural View Mirror is a compilation of song's I have written about life in Rural America. It has seen many changes in the past 50 year's. I feel this is a unique blend of music. It is a mixture of blues,country,bluegrass etc. Many of the songs were inspired by people in my own hometown.Gone Fishin is a song about my love for fishing and the great time you can have with the simple pleasures of the outdoors,friends and a fishing pole.Election Day is a parody on politician's and there campaign promises.Mommas Cookin is self explanatory."Mom I Love You"... Where No Man Has Gone Before is a wake up call hopefully on the depletion of our natural resources. I think John Denver would be proud of me although the bass line definatley has Waylon Jennings written all over it. I hope you enjoy this cd as much as I did composing and writing it. God Bless.
