The purpose of LISH's music is to make you feel hopeful. LISH aims to uplift your life with lyrics of truth and moving rhythms. LISH songs are produced by Ryan Hauschild (Winston, Adrienne Pierce, Elias, Anthill, Crystal McGrath). On the drums is Niko Friesen (John Wozniak, Adrienne Pierce, Marnie Mains). These musicians have worked with numerous producers such as Jeff Dawson, Thom Russo, John Sheep and Mike Fraser. Carsen B. Vartell writes from her heart. She exposes her stories to let you know that you are not alone. Carsen knows the strength and determination necessary to change, and wants to encourage you that anything is possible. She believes that by staying true to your heart, life can only get better. Some of Carsen's fondest childhood memories are of spending time with her family during the winter holidays, gathered around her grandfather strumming his guitar. They would sing classics from Elvis, the Beatles, and the Beach Boys. In 2002, inspired by life events, Carsen began writing lyrics to Dav's instrumental guitar work. LISH's journey thus far has been a very healing experience for Carsen B. Vartell, and she looks forward to many more songs of inspiration flowing out of her. Dav has been writing songs since he was 13 years old. He continues to generate songs through a prolific and consistent flood of emotion. Love found, love lost, is better than love that never was; this theme runs through many of Dav Douglas' songs. Dav's influences include but are not limited to, Paul McCartney, John Lennon, Neil Young and Tom Petty. Dav's ability to capture the

mood of a song, combined with Carsen's heart felt lyrics, are what fuels this passionate duo to create and share their dream.
