

## Mp3 Loren DiGiorgi - Dream

[DOWNLOAD HERE](#)

Along the seam of modern classical and New Age, Loren DiGiorgi takes a fresh approach. The style, like George Winston's, rings with echoing clarity and delicate layers. Still, there's ingenuity in the creation of melodies and harmonies. 10 MP3 Songs CLASSICAL: Contemporary, CLASSICAL: New Age Details: Loren DiGiorgi started playing piano at age three, and had already written his first compositions by the time he turned 7. A classically and jazz-trained modern composer who writes in a variety of genres, Loren combines a true mastery of keyboard and piano with imagery, impressionism, and ambience. His debut CD, "Dream," is a collection of piano solos that were written between 1996 and 1998, and runs through several styles, including contemporary, melodic, hypnotic...in other words, this is freely-expressed piano from the heart and soul of a modern composer.
