Brilliant spoken word poetry with hip hop music; reflective.. like a socially conscious mirror 21 MP3 Songs  
SPOKEN WORD: Poetry, HIP HOP/RAP: Hip Hop Details: "In Your Face" is the best way to describe  
NerCity (pronounced Inner City) poetry. After creating a strong following in California this "Negro  
Exposing Reality" has finally released his long awaited debut album entitled "Product of The Product".  
This album includes some of the most uplifting profound spoken word poetry one has ever heard. Tracks  
ranging from social change, injustice, love, lust, nostalgia pain all poured into 21 incredible tracks.  
Special guests who grace this album include Taalam Acey, Scorpio Blues, Gabrilla Ballard, plus some of  
the most talented musicians the Bay Area has to offer. Get caught up in the action on "The Riot Was a  
Riot," attempt to keep your composure at work while listening to "Corporate Takeover," find out how  
NerCity's "Jelly" became societies drug of choice, follow his b-boy voyage on "Hip on Hop," or simply feel  
the confessions of his past in "Product of The Product". Regardless of what you may have heard in the  
past, NerCity's "Product of The Product" is in one word...DOPE!
