Classic Rock bought bang up to date. Full of energy attitude and groove. 12 MP3 Songs ROCK: Classic Rock, ROCK: Hard Rock Details: Here it is! The superb new album from the UK Hard Rock Power Trio - NO CONNECTION. Recorded during 2003 at Connexion Studios in Reading, England, the third album from the band is their best yet. The new disc displays their quality song writing and musical abilities at their finest. A perfect demonstration of how to bring the Classic Rock of the 1970's into the new Millennium. Track listing: 1. Going Down Kicking opening track. A hypnotic, hard-edged, sexy number with a sting in its tail. 2. Deal With It Not on the album of the same name, but the title prepares you for a song with attitude! 3. Living American 'In You Face' Americana tune. Fun and punky with its tongue firmly wedged in its cheek. 4. I Don't Listen White boy/black girl. Why listen to ignorance? Just get down to this soulful disco magic. 5. Long Way Down Begins in the cotton fields of the 1920's. Ends in the world of today. Any real change? 6. Fading Away It's over. You don't know why and you can't stop the way you feel. Plenty of melody and soul. 7. Love To Hate To Love Title track. This Rock monster doesn't take any prisoners. 8. Sweet Sugar O.D. Beautiful women and high calorie foods. A fantastic heart-stopping combination! 9. Strive Led Zep feel with the kind of grit and determination Rocky Balboa would be proud of. 10. Too Good Thoughtful, reflective jazz/blues number asking a painful question. 11. Cheap Talkin' Actions always speak louder than words. This song reminds those who don't realize. 12. Nothing To Lose You only live once, so forget your hang-ups and have some fun to some great rock'n'roll. AVAILABLE NOW!
