

Mp3 Reverie - New Age: Celtic New Age

[DOWNLOAD HERE](#)

Instrumental acoustic guitar and piano music with classical, celtic, folk, and new age influences. 12 MP3 Songs NEW AGE: Celtic New Age, EASY LISTENING: Background Music Details: Composer/pianist Patrick Lee Hbert and composer/guitarist Chris Lonsberry have joined talents to create the duo Reverie. Their diversity of style entrances the listener and brings him through a deluge of mental imagery, ranging from a crashing thunderstorm to a beautiful Scottish meadow. Patrick brings his classical and new age training and background to the table while Chris has a more contemporary history. The combination works incredibly well together and has delighted listeners for years. Classically trained, Patrick Lee Hbert has been performing his solo compositions since his debut in 1991. He has appeared on numerous circuits including television The Jose Vachon Show, radio WDER and live performances throughout New England and the Midwest. Mr. Hbert is the Music Director at Trinity Full Gospel Church in Hooksett, NH. With three albums to his credit, Patrick continues to avidly compose and perform. He is also a published poet and a noted teacher. With two solo piano CDs to his credit and a third on the way, Patrick, aside from his efforts with Reverie, will continue to expand his solo piano career. Chris Lonsberry is a self-taught lefty guitarist whose ease and clarity of playing has been described as ethereal and powerful. Mr. Lonsberry started playing the guitar when he was 15 years old and has an appreciation for almost every style of music, which is reflected not only in his guitar style, but also in his composition. He has been performing with Mr. Hebert for nine years.
