## Mp3 Richard Stepp - The Sacred Journey

## **DOWNLOAD HERE**

Intense and spiritual ballads performed in a style that combines contemporary and folk with a Native American flavor 10 MP3 Songs WORLD: Native American, EASY LISTENING: Ballads Details: Richard Stepp is 47 years old. He was born in and resides in northeastern Oklahoma. He received his first guitar and wrote the first of many songs at the age of eight. Although Richard has written songs of various genres, the last few years have been primarily devoted to Native American. Along with the acoustic guitar, Richard also plays keyboards/piano, a little violin, Native American flute, and drums. His plans for the future are to continue writing, performing, and producing music, generally in the Native American ballad and instrumental style, along with his good friend and fellow Musician, Michael Two Leaf Meadows. Richard's hope and desire for his music is that it will not only entertain but that it will help to enlighten the listener concerning the cultural, spiritual, and historical lives of a beautiful people known as the Native Americans.
