Related styles: WORLD: World Fusion, URBAN/R&B: Urban People who are interested in John Williams Pink Floyd Goldie should consider this download. Details: Live Reviews "amazing guitarist..."(Peter Lang, fingerstyle pioneer) "simply blew us away with his intricate finger skills..."(BBC C&W) "one-man musical magician fusing funk, jazz and a splash of drum'n'bass in a single flamenco styled nylon-stringed guitar"(Warwick Core) "His solo classical-Spanish style guitar playing, peppered with pepper, funk and drumnbass, takes your breath away like a sledgehammer to the chest"(The Shiznit Magazine) "Si Hayden left members of the audience in wonder of how anyone could deliver such harmony and rhythms of complexity using a six string, steel strung acoustic guitar"(Alvin Leon, AquiredTaste) "A classical Spanish style guitarist, who will blow you away with his jazz, latin and funk infused songs. How he manages it all on just a 6 string guitar still amazes us. You will have to see him to believe it!(AcousticLounge, Clapham)
