Smart and Beautiful moody-ethereal-break-up-music of the non-coma-inducing sort. 11 MP3 Songs  
FOLK: Folk Pop, POP: Delicate Details: with my brand new olivia newton john record and my trusty shaUn cassidy guitar (1978 vintage hardy boys gear with plastic strings), i began to make my mark on the music scene at family barbie-Qs with a fantastic \*chorus only\* rendition of like a rhinestone cowboy... many years, and an obscene number of songs entitled the horsey in the field later, i'm playing a guitar made of actual wood and my songs are no longer about furry woodland creatures...mostly...but if anyone has any information on how i can score a shaun cassidy decal for my baby taylor, please let me know...(or if you have his number you could send that too)
